CPR/FIRST AID INSTRUCTOR
(Part-time)**

Revision #

Date: 6/18/2008

Approved By:

Reports to: Training Center Faculty

Supervisory Position: No **PFA:** No **Safety:** No **FLSA Exempt:** No

General Position Description

Under general supervision, the CPR/First Aid Instructor will provide American Heart Association Basic Life Support training to the general public and special interest groups as needed.

Principle Duties and Responsibilities

- Maintain Basic Life Support Instructor status in good standing with American Heart Association and Apple Valley Fire District Training Center (training to be provided by the District if necessary).
- Availability to teach a minimum of six (6) classes per calendar year.
- Availability to teach on weekdays, evenings and/or weekends, as necessary.
- Prepare the classroom for instruction including set-up of tables/chairs, supplies and equipment.
- Operate multi-media equipment for use during instruction; including appropriate computer, projector and sound equipment.
- Clean manikins and re-usable equipment according to the policies of the Training Center; and re-arrange the classroom back to its original condition.
- Accurately complete forms/records for each student/class using the proper Training Center process.
- Attend a minimum of two (2) Instructor Meetings annually.
- Maintain current contact information for ease of assignment.
- Support for various CPR/First Aid projects as needed.
