

APPLE VALLEY FIRE PROTECTION DISTRICT JOB DESCRIPTION

FIRE MARSHAL

Revision #

Date: June 18, 2013

Approved By: Signed Original on File

Reports to: Fire Chief

Supervisory Position: Yes **PFA:** No **Safety:** Yes **FLSA Exempt:** No

General Position Description

Under the direction of the Fire Chief, the Fire Marshal is assigned to administer the Fire & Life Safety Section. Duties include conducting and/or ensuring the following are accomplished: inspections, issuance of permits for the control of hazardous materials, hazardous processes, and public assembly; review of new construction building plans and fire protection system plans for compliance with fire and life safety standards; field inspections of buildings and new construction; participation in public education programs; investigating the origin and cause of fires; and performance of other related duties as requested. Responsibilities require initiative and independent judgment in routine and emergency situations.

Principle Duties and Responsibilities

- Supervises subordinate Fire and Life Safety personnel to include evaluating, training, assisting, assigning and monitoring their work.
- Enforces adopted rules, regulations and SOPs of the Fire District.
- Ensures subordinates meet required training standards.
- Reviews and supervises the review of building construction and fire protection systems plans, confers with other concerned local agency departments to determine compliance with fire and life safety requirements; makes necessary contacts with developers, property owners, architects, engineers, and contractors; and follows through with related field inspections and tests.
- Organizes/oversees fire and life safety inspections of all applicable occupancies, fire protection systems, and appliances; and the investigation of all fires for cause.
- Participates in public education programs, advises public on general and specific fire and life safety matters.
- Participates in District training programs. Participation may be advisory or may involve organizing lesson plans and providing instruction under direction of the training officer.
